

Summer 2010

PERMACULTURE DESIGN COURSE

Congratulations for choosing this opportunity to grow in your knowledge of permaculture design! The class will be invigorating, fun and challenging. Be prepared to grow in your mind, heart and spirit.

Dates and Times:

- **The Introduction course will be held Thursday 8/12/10 to Saturday 8/14/10**
- **The full course for certification will be held Thursday 8/12/10 to Tuesday 8/24/10 with Sundays off**
- **All class times will be 9:00 am to 5:00 pm with a one hour lunch break**
Class participants will be responsible for their own meals

Materials:

- **A CD with The Permaculture Handbook will be provided at the start of class. You may print out a paper copy of the handbook on your own if desired.**
- **The main reference text is Permaculture: A Designers Manual by Bill Mollison and Reny Mia Slay. Purchase of this book is recommended but not mandatory for the course. A reference list for additional material will be made available.**
- **Bring a 3 ring binder notebook and extra paper / writing utensils for notes and / or a lap top computer if you prefer to record notes digitally. Internet access will be available in the classroom.**
- **Cameras, video cams and sketch books are all encouraged but not required. The goal will be to record your course experience in a format that will allow for good future reference.**
- **Be prepared for hot weather and possible rain storms during field trips. The main teaching facility will be air conditioned with rest rooms available.**
